STITCHES USED:

TR- Treble Crochet

Sts- Stitches

Please read notes and pattern before starting.

Notes:

“DC in 4th CH from hook” (the first 3 CH is counted as 1 DC) this gives you an automatic 2 DC, sitting in separate sts, then proceed as the pattern calls.

You will change color when you have 2 loops on hook remaining. Turn and Chain 3, NOT CH 3 and turn.

There would be 3 lines I called “dashes” and 2 rows of DC after finishing with the first color. All the other colors you use will have 2 lines and 2 rows of DC.

Use smaller hook F 3.75 mm to do leaves tassels
